Washington State Department of Ecology
U.S. Environmental Protection Agency
and U.S. Department of Energy
are conducting a

Public Comment Period on the 200 West Area Carbon Tetrachloride Plume Expedited Response Action

The 30-day public comment period begins November 6 and ends December 6 for the Expedited Response Action Proposal EE/EA and EA for the 200 West Area Carbon Tetrachloride Plume (DOE-RL 91-32 Draft B). Under the Tri-Party Agreement and the Community Relations Plan, interested citizens have the opportunity to review and comment on the material pertaining to the cleanup of Hanford.

Copies of the Expedited Response Action Proposal
are available at:

Portland State University
SW Harrison and SW Park
Portland, OR
